

WordPress Developer

We are looking to hire a skilled WordPress developer to design and implement attractive and functional features on our website. You will be responsible for both back-end and front-end development including the implementation of WordPress themes and plugins as well as site integration and security updates.

To be a successful WordPress developer, you should have in-depth knowledge of front-end programming languages, a good eye for aesthetics, and strong content management skills. Ultimately, a top-class WordPress developer can create attractive, user-friendly websites that perfectly meet the design and functionality specifications of the client.

WordPress Developer Responsibilities:

- Meeting with CEO to discuss website design and function.
- Designing and building the website front-end.
- Designing and managing the website back-end including database and server integration.
- Generating WordPress themes and plugins.
- Conducting website performance tests.
- Troubleshooting content issues.
- Monitoring the performance of the live website.

Requirements

- Training/Education in computer science or a similar field.
- Proven work experience as a WordPress developer.
- Knowledge of front-end technologies including CSS3, JavaScript, HTML5, and jQuery.
- Knowledge of code versioning tools including Git, Mercurial, and SVN.
- Experience working with debugging tools such as Chrome Inspector and Firebug.
- Good understanding of website architecture and aesthetics.
- Ability to manage projects.
- Good communication skills.
- Bachelor's Degree or higher in computer science preferred, but not necessary.

To Apply

Email ashley@she-plays.com and include the following:

- Cover letter detailing your interest in the position
- Resume of relevant experience
- Portfolio of prior work, with at least one website you have worked on that we can see live

Please note that this is a remote, part-time position compensated with a small monthly stipend.

If you have any questions about the position or application process, please email ashley@she-plays.com. If you feel you are a good fit for She Plays but have reservations

about your qualifications, we encourage you to apply anyway and explain why you believe you're a good fit in your cover letter.
